

HARMONY SYMBOL is perfect for musicians, artists, all sorts of creative endeavors, particularly collaborative projects. It brings out patience as well as courage. It helps a person feel safe in sharing a different perspective.

The Harmony Symbol:

- *Creates a synergy of cooperation.*
- *Helps us to be in sync with people's receptivity.*
- *Opens pathways to effective communication.*
- *Allows for respect for diverse points of view.*
- *Is great for collaborative projects.*
- *Enhances effective balance in use of multiple symbols.*
- *Removes hierarchy.*
- *Enhances equanimity.*
- *Creates comfort with singing, vocal harmonies.*
- *Supports playing music with others.*
- *Enhances qualities of sound healing.*
- *Helps with creativity with cooking, sewing, gardening.*
- *Increases awareness of and comfort with the nature elemental beings.*
